

Central Sales, Inc.  
has a place for YOU!

A great place to work — and to play! There's just no place like home. **NORTH DAKOTA!**  
It's a good place to grow up...and a great place to build your future!

We are looking for talented young people searching for the right place to start their careers... where opportunities are nearly unlimited, and where the quality of life is second to none.

- Does technology fascinate you?
- Do you love a challenge?
- Are you looking for a field that rewards hard work with good income and benefits?
- Would you like to be someone farmers count on to keep their space-age equipment running? A leader in your own hometown?
- Can you see yourself becoming a real success...someone who makes it big, right here among your friends and family?

Then take a closer look at a career in a Central Sales, Inc. farm equipment dealership!

Agriculture is big here in North Dakota. Farmers are the power in our state's billion-dollar economic "engine"... and equipment dealerships are the experts who keep it up and running.

Our dealerships offer opportunities in four related areas.

- Service Technicians
- Parts Professionals
- Sales Consultants
- Management Professionals

As a member of the North Dakota Equipment Dealers Association we are able to offer their Scholarship Program and Post-secondary Loan Obligation Write-down or "PLOW." With the PLOW student loan repayment program, you could have the opportunity to have up to \$20,000 of your student loans paid for you! More information regarding NDIDA's programs can be found on their website [www.ndida.com](http://www.ndida.com).
